GIFT IDEA - CIMIO SOFTWARE

About Cimio Software

Since its inception in 2002 Scratch has become the authority on DJ Education and has branched into an extremely successful events company that covers over 2,500 events a year. The DJ is at the forefront of mainstream pop culture with the abundance of "celebrity DJ's" and the pending launch of DJ hero making the world of DJing more accessible to the everyday music fans.

to turner their focus on education Scratch built and launch an entry level beat matching and playlist creation software called Cimio, that is accessible to every skill sets of all different levels. Cimio allows users to mix their music and create playlists in three easy steps. The program also takes you step by step explaining the beat matching process and even provides some information of the history of DJing and beat matching.

[Cimio software](#) works like a DJ mix. Create nonstop music blasts. It is so easy to use than anyone can use it. You make the music by bringing a song in and mixing it with another song. Drag and drop mixing the program does the rest. The limit of 200 songs max at a time provides lots of music. FYI: An instructional video is available online.

You don't even have to go to the store to get one. Just go to the website www.cimiosoftware.com, pay \$29.99 for the download, then go. This program is supports major file formats and is compatible with iPods Mac, PC, WAV, MP4, WMA, and ACC files. Wow! That's a deal.
